

Alamo Area Fire Chiefs

We're looking for exceptional people!

The Alamo Area Fire Chief's Association's Multi-Agency Testing Process will be conducting a candidate aptitude test that is open to individuals who have Texas Commission on Fire Protection (TCFP) and Texas Department of State Health Services (TDSHS) certifications. Texas certified or licensed Paramedics are also qualified to test without TCFP fire certification. Individuals that have completed (1) discipline and are within (3) months of completing the other meet qualifications to TEST. Only candidates that possess both fire and EMS certifications will be considered for employment, some of the departments will hire Paramedic only applicants.

Qualified candidates will be included on a shared reference list that participating agencies may consult when Fire Department job openings occur. The reference list is valid for one year.

Participating agencies currently include the Cities of Balcones Heights, Castle Hills, Helotes, Olmos Park, Leon Valley, Universal City, Cibolo, Shavano Park, Bracken, Schertz, Selma, Kerrville, District 7 ESD, District 2 ESD, Bulverde Spring Branch, Live Oak, Kirby, Converse, and Canyon Lake.

TO REGISTER: Candidates must register online at **alamoareafirechiefs.com**. Fill out the registration form under the **POSITIONS AVAILABLE** tab, select your test session, and remit \$35 registration fee online. The registration fee is non-refundable.

The test will be held at District 7 Fire Rescue Station 115, located at

**11615 Galm Rd.
San Antonio, TX 78254**

For questions, contact Captain Jeff Vaughn with The Universal City Fire Department at:
